

HUME CENTRAL NEWS

Our College vision is to develop and nurture the social, emotional and academic growth of all our students in order that they become resilient, life-long learners equipped with skills, qualifications and personal attributes for success in and beyond school

COLLEGE PRINCIPAL'S MESSAGE

College Principal: Jeff Mulcahy

Dear Hume Central Families

Throughout Term 4 we have enjoyed being able to support the return of all year levels to onsite learning. Whilst remote learning via zoom has been a means to provide learning continuity for our students and it has been of great benefit, the personal interaction that has once again been able to occur has been greatly appreciated by all staff and students. I'm confident that parents/guardians will also have enjoyed the return to school for our students. Once again, we would like to thank our families for everything that they have done to ensure that the partnership between school and parent has been able to support the needs of our young people throughout such a challenging period.

Throughout Term 4 and in planning for 2022 we have prioritised a number of ways that we will support our students to make the transition to their new learning program in 2022. Our highest priority has been the mental health, safety and wellbeing of every student and member of staff. We are aware that students from disadvantaged backgrounds and many students with disabilities have been disproportionately impacted across all areas of their education.

COLLEGE PRINCIPAL'S MESSAGE

College Principal: Jeff Mulcahy

Year Level Teams and Wellbeing Teams have worked extremely hard during remote learning to identify students and families where extra support has been needed. All available resources have been provided to ensure support for every student, including our most vulnerable. This support has aimed to encourage and sustain motivation for learning and has included re-engaging students and families where needed and implementing targeted strategies for those at-risk. This has also meant ensuring support for our school staff, who have sustained efforts through multiple transitions in modes of teaching and learning delivery throughout 2020 and 2021.

Whilst some students were able to more quickly progress in their learning within the remote and flexible learning environment, others maintained their rate of progress, and some, despite their best efforts and those of their families and teachers, may have fallen behind. We have aimed to ensure those who have fallen behind can catch up and those who have progressed significantly can continue to be extended and stretched in their learning. Student voice and student agency will continue to inform how we provide continuity of learning and support for students in this environment. Literacy and numeracy across the curriculum will remain a focus in 2022, and we will adapt our teaching and learning programs to meet needs of our students.

2022 TUTORING LEARNING INITIATIVE PROGRAM AT HUME CENTRAL SC

The state government has announced that it will continue to provide funds for more than 4,000 tutors to provide schools with access to small group tutoring. Schools will again be implementing the tutoring program next year with the aim of supporting students most impacted by the pandemic who are at risk of disengaging from learning. This initiative intends to provide targeted small group learning for selected students. At Hume Central we have been informed of our funding allocation and we have commenced the process to employ tutors to support the learning of approximately 400 students at the College in 2022. More information regarding this program will be provided to families early next year.

STUDENT TRANSITIONS

Term 4 is a critical period, particularly for the children moving from Grade 6 into Year 7, and those in Year 12 moving into employment or further education and training. Some students with a disability face a significant milestone transitioning from school to community engagement, employment and vocational pathways. Students in other year levels will also prepare for a change of teachers and new classmates in 2022.

A key focus of Term 4 has been to make every effort to ensure each of these end-of-year and beginning-of-year transitions occur as successfully as possible. This has included finding appropriate ways to conduct orientations and end-of-year celebrations and ensuring transition information captures additional details as necessary.

2021 GRADUATING STUDENTS

We wish the graduating students of 2021 well as they start the next part of their life's journey. They have endured so many challenges over the last 2 years and have demonstrated such resilience to remain engaged in learning and complete their VCE or VCAL. We are sure that the time that they have spent at Hume Central Secondary College has prepared them well for the next phase of their lives and that they will maintain an involvement in lifelong education.

As young adults they have enriched our community through their contributions over the last six years. Their future successes will shape the community perception of our school and we are confident that they will represent us with pride and distinction. They are our future community leaders, and we look forward to hearing about their achievements, as our graduates they continue to be important members of the Hume Central Secondary College community.

COLLEGE PRINCIPAL'S MESSAGE

College Principal: Jeff Mulcahy

YEAR 12 GRADUATION AND COLLEGE AWARDS

We celebrated the achievements and journey of our Year 12 students with the Year 12 Graduation on the 18th of November and we will acknowledge the efforts of our most committed and highest performing students for 2021 Years 7-12 at our College AWARDS Ceremony on Wednesday 15th December.

SEMESTER 2 STUDENT REPORTS

Semester 2 Reports will be published on the COMPASS Portal from the 15th December. This is an important time for reflection and making plans for improvement and success in 2022. As well as listing various scores, students will receive comments on how they have performed and how they can make future improvements in learning. Please take the time to discuss these comments with your son/daughter, celebrate achievements with them and help them to make a plan for improvement in their future learning.

Our College resumes for students in 2022 on the following dates:

Monday 31 st January 2022	Tuesday 1 st February 2022
<ul style="list-style-type: none">• Year 7 Students ONLY (Dimboola Road Campus and Blair Street Campus)• ALL Town Park Students	<p>Year 8 and 9 Students (Dimboola Road Campus and Blair Street Campus)</p>

I am extremely proud of how all College staff and our families have worked together to support our students throughout 2021 and I am confident that this partnership will continue in 2022.

Thank you for all that you have done and continue to do to. Have a safe and relaxing summer break.

Regards

Jeff Mulcahy

College Principal

COLLEGE ADMINISTRATION

College Administration Manager: Robyn Dix

Thank you to the College Administration team for their dedication in supporting College operations onsite throughout the year during school closures. We worked on a Roster and worked through the change as a team. Well done to all.

We are farewelling after 13 years at Hume Central, Kerrie our Office Manager at Dimboola Road Campus. Kerrie is retiring after 34 years with the Department of Education and we thank her for her support and dedication to students/parents/staff. We wish her much happiness with her family and friends and the many adventures she will have along the way. The Admin team wish the staff, students and the College Community a safe and happy Christmas.

COLLEGE MUSIC

Instrumental Leader: Dave Sutton

Although we haven't had the opportunity to schedule concerts this term, we have however, seen a couple of great performances by our VCE Year 12 band Motu Agaga.

On October 15th, the band featuring Tele Faoagali, Tinei Finau, Seionara Esera, Nataliyah Semisi and College Captain Folesi Tuiletufuga travelled to Footscray High School to present a 40 minute program of songs for their final music performance exam. Included here is a great photo of the girls in their traditional dress, 2 minutes before the examiners walked in. Although they were slightly nervous their smiles say it all! They were thoroughly confident in their ability and in their choice of songs for their exam. Their program included Maps (Post Modern Jukebox), When I Was Your Man (Bruno Mars), Rumour Has It (Adele), If I Ain't Got You (Alicia Keys), Settle Down (Kimbra) When The War Is Over (Cold Chisel), Set Fire To The Rain (Adele) and Sosefina (a traditional Samoan song). The girls were ably supported during their performance by Nicholas Beecher on Bass and Daniel Luttick on Drums.

On November 18, the girls took to the stage once again, for the Year 12 Graduation and what would be their final performance at Hume Central. With an 8am 'load in', the PAC at Town Park was quickly transformed into a presentation venue complete with staging, lights and sound system, courtesy of Rob Broomhead's team at Total Audio Services. With the sound check underway, Andy Lutz (who 'moonlights' as a Live Streaming Coordinator), joined the group onstage for an amazing version of 'When The War IS Over'. Andy is the singer in the number one Cold Chisel Tribute band 'Gold Chisel'. It was fabulous to see the girls 'belting out' a classic Australian hit song with such an experienced singer and front person. The band ran through their set of songs as an introduction to the evening and what would be a very special event for our Year 12's. The girls performed two feature songs 'If I Ain't Got You' and 'Set Fire to The Rain' during the Ceremony and finished the evening with a rousing version of Maps to the cheers of an appreciative audience.

It's been said that nothing in life is more certain than change and on that note we are saying fond farewells to both Chris Sluice and Nicholas Beecher our singing teacher.

Chris Sluice has been an absolute cornerstone in the Music Department at HCSC for the past nine years. He has always maintained a positive and optimistic approach, which has endeared him to students and staff alike, his infectious sense of humour lightening our hearts and bringing a 'smile to our dials' on many occasions. We all wish Chris every success as he takes up a position in Senior Classroom room music at Westbourne Grammar in Truganina.

Nicholas has been with Hume Central for the past five years and in that time he has taken vocal performances at the College to a new high! He will be very much missed by those of us who have had the chance to work with him as he is a brilliant and highly skilled musician who's passion for excellence has amazed his students and colleagues alike. We also wish Nicholas every possible success as he pursues his studies for an Honours Degree in Classical voice, which is his first love!

We have already locked in the 31st of March next year for our sensational concert 'Renaissance' – Reviving the Spirit of Performance!

The show will be outdoors and under the Heaven's in the Town Park courtyard, similar to this year's Rebound show. Stay tuned for more details and keep the fingers crossed that all will be well for another brilliant concert at HCSC!

**WE'RE BACK FOR ANOTHER SENSATIONAL

HCSC ONLINE STUDENT WRITING ANTHOLOGY

"The Correspondent"

This site exists to bring together the best of Hume Central student writing - whether developed in class, or in personal time, we want to celebrate the creativity of our students!

You are welcome to publish your work anonymously, or under your own name.

It is with great excitement that we launch Hume Central's online writing collection, "The Hume Central Correspondent" featuring student works from across all year levels. This website is a celebration of the brilliant writing that has been created by Hume students this year. Teachers were asked to nominate students who they felt had produced outstanding pieces, and this site will continue to showcase the most exciting new pieces of work.

Would you like to feature some of your writing? Get in touch now via the website! You can publish proudly under your name, or anonymously if you are feeling a bit shy. Not a writer, but looking to read some new works? Check out the website now to see the talent of your fellow students! The website is now live for you to enjoy student offerings of short stories, poetry and more.

SPORTS AT HUME CENTRAL

On the 25th of November the Year 7-9 from Dimboola Road and Blair St Campus went to participate in LeMana Rugby Victoria. LeMana is a program that helps empower youth from Pasifika backgrounds and to build a connected community with a sense of belonging for the youth in Victoria. All students were able to receive a backpack which included a reusable water bottle and other goodies. Students had the opportunity to play Rugby, Volleyball and Basketball as well as many other activities. There was live music, a dance performance which was organised and ran by the students and the best part was the FREE food - Subway food and Pizza. Many Police officers were there on the day also playing Volleyball, Touch Rugby and other activities with the youth. It was amazing to see the students having that connection with the community including students from other schools, the organisers, teachers and police officers. It was great to see our students actively involving students from other schools in their activities that even a teacher from another school commended our students for helping them out and behaving in an exemplary manner.

Regards

Haidar Haidar

COLLEGE NEWS

INTERNATIONAL NEWS

International Student Leader - Chris Sluice & Kathy Nguyen

GRADUATION

What a wonderful way to end a roller coaster year. Students in year 12 were finally able to graduate with pride and with a sigh of relief as they come to realize their long journey in high school has come to an end.

It was good to see all the students dressed up in their graduation gowns parading onto the stage to receive their certificates. They should be proud of themselves for being so resilient and strong in the face of adversity. Town Park has become a quieter place without the year 12 students here. Their departure has left an empty space felt through the walls and doors of our school. They will all be missed.

YEAR 12 FORMAL

The red carpets were rolled out for a night of glitz and glamour. Students were dressed to impress and many were unrecognizable without their school uniforms on. It was a night for the students to let their hair down, put on their high heels and dance the night away. Teachers also joined in, busting a move and just letting it all out on the dance floor. It felt like such a long time since we were able to get all dressed up, be together in a large crowded room and to be able to dance freely and feel the joy of freedom and normality. Great memories were created that night.

DIMBOOLA ROAD CAMPUS

Campus Principal: Vivienne Caravas

Assistant Principal: Teresa Eva

Term 4, 2021 has been an interesting term as students have transitioned back to onsite face to face learning. It certainly has been a very challenging time for all! Students have shown their resilience during adverse times and adapted to working remotely for the most part. Students have also been focused on successfully completing their learning tasks, Hurdle Tasks, CATs, on demand reading and numeracy tests, homework and Year 9 English and Maths exams, to advance to the next year with strong foundations. A very busy term with lots of rewards making it all worth it! I'd like to especially thank all our families for their support and cooperation during this difficult year and an extra big shout out to all staff who worked tirelessly to provide quality learning experiences for our students. I have been amazed by the flexibility, tenacity and creativity that our students have shown as they have navigated this new and different way of accessing their education. They are resilient and I know that they will come through this difficult time having learned important lessons about themselves as learners and as young adults. Students and staff should be commended for their efforts and once again thank all our families for their ongoing support.

HOMEWORK CLUB

Homework Club at Dimboola Road Campus continues to provide additional academic support to students. It is open to all students from Year 7-9 and runs on Mondays and Thursdays in the library between 3.05pm to 4.30pm. Teachers will be available to assist students with their homework and classwork generally. This is a free service to all students. Permission notices must be signed by parents/guardians and returned to school. If you have any queries please contact Mr Haidar on 9099 1000.

Regards,

Vivienne Caravas

DIMBOOLA ROAD KITCHEN GARDEN

Although the lockdown was unwelcomed it did provide an opportunity for Lou our talented maintenance person to construct the long awaited Dimboola Kitchen Garden. The Garden will support the Food Studies students as well as the general school population. The plan is to grow vegetables, fruits and herbs from the many different cultural background of our students.

There will also be an opportunity for practical experience of sustainability including the wonderful art of composting.

All donations of seedlings or cuttings suitable will be greatly appreciated.

A gardening program will hopefully be set up next year for any interested students or parents.

Keep safe keep gardening keep smiling.

Ms Kimpton

BLAIR STREET CAMPUS

Campus Principal: Nicholas Bakatsoulas

Assistant Principal: Mike Jones

This is the final newsletter for 2021 and I acknowledge your support and involvement over this year. The collaboration between school and home is one of the key factors in achieving the best possible outcomes for the young people in our care. Your involvement has taken many forms over 2021 including, ensuring students have been on Zoom classes on time, virtual parent conversations, attending campus assembly, student support meetings, performances, special celebration events or at home assisting with homework, or just being interested in what we do at the College.

Congratulations to staff, students and parents for all that has been achieved during 2021 and the specific achievements in Term 4 including the successful implementation of our Covid safe practices, sporting teams that represented our College and our students' musicians who have performed at our College ceremonies. During term 4, Our Step-Up Program has given our students the opportunity to meet their teachers in 2022 and begin the formation of strong learning relationships that will further evolve throughout next year. We are looking forward to picking up where we left in 2021 off and continue our learning journey together. I would like to take this opportunity to farewell Michael Jones, our Blair Street Assistant Campus Principal as he continues his leadership and teaching journey at the Town Park Campus. Michael Jones's contributions have been pivotal in establishing a culture of excellence and high expectations of our students and will be missed by staff and students at the Blair Street Campus. Thank you for all your support over 2021 and we look forward to a successful 2022. Have a safe and relaxing summer break.

Regards

Nick Bakatsoulas

Campus Principal

Blair Street Campus SWPBS Award winners.

There has been a positive energy across our campus as students and staff implement our School Wide Positive Behaviour Support (SWPBS) program. Staff are making a collective effort to recognise positive behaviours in our students and ensure that they explicitly teach and model behaviours that promote wellbeing and success at school and life in general. Term 4, saw the introduction of our SWPBS rewards where students were nominated and celebrated for consistently demonstrating our SWPBS values.

We Are Respectful

Students who demonstrate the We Are Respectful college expectations, consistently build respectful relationships with their peers, are polite, respect the opinions of others, make positive contributions online and take a positive stance towards bullying and inappropriate behaviour. They are always inclusive and show empathy and appreciate not only for each other but our environment. The following students received nominations from their teachers and Team Leaders had selected the following students to receive the We Are Respectful award:

Award Winners	
Year 7	Zaid El Sayed
	Stavro Ablahad
Year 8	Ayman Obeid
	Zarah Ferrer
Year 9	Antonio Guerrero
	Georges Ibrahiim
HFL	Esin Celik

BLAIR STREET CAMPUS

Campus Principal: Nicholas Bakatsoulas

Assistant Principal: Mike Jones

We Are Responsible Awards

Students who demonstrate the We Are Responsible awards are known for their appreciation and care of our college environment. They contribute to all areas of the college and represent our college in a positive manner while in the community. They uphold all school values and support their peers in demonstrating our SWPBS expectations.

Award Winners	
Year 7	Tuana Alimci
	Sawsan Safar
Year 8	Tiana Tupu
	Andraws Al Shayya
Year 9	Kathreen Aishaqy
	Chrestina Alqas Eshaq
HFL	Osman Elmasri
	Derman Ozdemir

We Are Learners Award

Students who demonstrate the We Are Learners behaviours, consistently arrive to all classes ready for learning, submit homework on time and engage positively in all learning activities through working collaboratively with their peers and taking feedback from their teachers to improve their overall performance.

SWPBS Award Winners	
Year 7	Azam Kattoub
	Imogen Hart
Year 8	Martin Gorgees
	Ariam Mohamed
Year 9	Esmā Oztaş
	Maryam Al Kubba
HFL	Emine Abdulatif
	Omar Khodr

YEAR 7 FOOD TECH

After another long lockdown, it was exciting to see our young masterchefs back in our food room. Year 7's put their baking skills to the test while making Apple and Cinnamon muffins. Here are a couple of great examples of delicious muffins from our awesome students.

BLAIR STREET POEM FROM THE YEAR 9 TEAM

You started off at Blair St
personalities unknown
marvel on the years that passed
and look how much you've grown
You managed all the obstacles
proudly you stood tall
no matter what was thrown at you
the mountains you conquered all
The time has passed so quickly,
Months have turned into days,
For many the end of 2021,
Will signal a parting of the ways.

Joy may be replaced by sadness,
Smiles will be swapped for tears,
As you farewell the safe haven,
That has sheltered you all of these years.
Fear may follow the realization,
That you must now stand alone,
As you farewell the Blair St campus
That you fondly called your home
The journey need not be a fearful one
For each experience will bring you rewards,
Each challenge and obstacle should give you,
Determination to keep moving forward.
You know we will never forget you
Teachers, aides, principals and all
as we reminisce on events that happened
the memories we will fondly recall
We will think of the happy times that we shared
we will think also of the sad
when our hearts thought they would break
when tears were all that we had
Our roles as guides have now ended,
We hope we helped in some ways,
To prepare you for your first flight,
On this most memorable of days.
Never forget the path that you took here,
Or the foundations you sat on each day,
Look forward to the future that calls you,
Mark the world in your own special way

2021

HUME FLEXIBLE LEARNING SETTING

Campus Principal: Nicholas Bakatsoulas

Assistant Principal: Mike Jones

MAT LIFE SKILLS PROGRAM

The Blair Street Campus Green was once more filled with positive vibes from students and teachers alike on Tuesday 2nd of March 2021. Students gathered to listen to the spectacular live performances by our talented Town Park and Blair Street musicians as they played volleyball, chatted with their friends and danced their break away. Even some of the teachers got their grooves and everyone went back to class with a smile on their face. A huge thankyou to David Sutton and the music team for organising such a wonderful and successful event.

Students queued for delicious ice-creams and gelato from an ice-cream van, many of whom were able to claim a free ice-cream because of their exceptional respectful, responsible and learning behaviour in and out of the classroom. Well done to these amazing individuals!

LIVING LEGENDS EXCURSION

During our visit to Living Legends students got to meet, pat, feed and connect with retired champion racehorses. The rainy forecast cleared up as we arrived, and the ray of sun reflected the inner peace felt by the group. It was a time to connect with the very charismatic, charming champion horses who formed a mutual bond with the students. Allowing us into their history and home was an experience that will be cherished.

HEALTHY RELATIONSHIPS AND CONSENT

Throughout the 3-week course on Healthy Relationships and Consent students were taught the fundamentals on respecting themselves and each other, what it means to form healthy consensual relationships and the power of consent. Michael Mawal (youth worker at Dimboola Rd Campus) ran the workshops which engaged students and encouraged them to ask questions and discuss healthy relationships in a safe environment.

TOWN PARK

Campus Principal: Silvia Quaine

Assistant Principal: Parris Sloan

At the Town Park Campus, our initial Term 4 focus was to welcome back our Year 12-10 students and provide them with a safe and supportive learning environment, whilst reinforcing common school routines, learning behaviours and expectations. The first three weeks of this term saw our Year 12 VCE students confidently sitting the GAT, attending regular classes and scheduled practice exams and preparing for their VCAA examination period, whilst our Year 12 VCAL students finalised their learning outcomes. COVID restrictions meant that we had to re-schedule our Year 12 Celebration Day and Graduation to later in the term (18 November), however we were also able to informally celebrate the end of their secondary schooling on their last day of school (20 October). The Graduation event was a final opportunity to celebrate the graduating class of 2021. Unfortunately, the level of restrictions prevented us from having parents and family members in attendance as would normally be the case and we hope that families were able to enjoy the livestream and subsequent recording. I felt privileged to have the opportunity to address these senior students for the final time. Apart from congratulating them, I expressed my sincere gratitude and pride at them being a wonderful, thoughtful, caring, warm, positive, resilient group of young people. I also wished them all the very best for the exciting challenges and pathways that lay ahead and reminded them that they will forever be part of the Hume Central Secondary College family.

A week later, the Year 12 Engagement Event was a brilliant occasion for staff and student to dress-up, dance, have fun to mark the end of secondary education for these young people. I would like to congratulate our 2021 School Captains, Paris Halls and Folesi Tuiletufuga, and the Student Voice Team for their strong and inspiring leadership and wish them all the best in all further study and leadership endeavours.

With our current Year 11 and Year 10 students our focus has been to ensure that all students are re-engaged in learning and well prepared for the 2022 school year. This has meant extending these courses by one week - to provide additional opportunities for students to catch-up - and reducing the Step Up programs to one week only. Practice exams conducted over one week (week 8 for Year 11 students and week 9 for Year 10 students) continued to reinforce the importance of revision skills, deep learning, resilience and writing stamina.

Finally, weeks 9 (2022 Year 12) and 10 (2022 Year 11 and Year 10) were dedicated to Step Up. Our Step Up programs are a key component of learning as they give students a clear understanding of their following year's course work and expectations and set up a solid foundation for a successful transition. Our teachers have worked very hard to ensure that students are engaged in meaningful and engaging activities and ready to succeed in 2022. As this year is coming to an end, I would like to congratulate our students for their achievements this year and wish them and our parents and families a relaxing and safe holiday and a successful 2022.

Lastly and most importantly, I would like to express my deepest gratitude to all our staff at the Town Park Campus for their passion, incredible energy, hard work and commitment to each child's education. It is a huge privilege to be part of such an extraordinary team and wish you all an enjoyable and relaxing holiday with your families.

TOWN PARK INCURSION TALK LAW

YEAR 10 REPORT AND STUDENT FEEDBACK

In October, the law firm of King & Wood Mallesons ran two incursions that involved 24 of our year 10 students. The sessions focused on five topics delivered via videoconference, by volunteers from KWM and their corporate clients.

The topics covered included consumer law, intellectual property, social media, police, and employment. Despite the limitations of video conferencing, the students were engaged as they developed a deeper understanding of their legal rights and processes.

STUDENT FEEDBACK

Elif Kirmizi, Year 10

I would like to start off with a thank you, to the lawyers and professionals who took the time out of their day to hold a meeting with year 10 students from Hume Central Secondary College. I believe the topics we unpacked and the different cases and scenarios we discussed were very enjoyable. I had some preconceived thoughts about how work was done in law, there were a lot of things which I thought I knew but did not. It helped me understand our government and law more, especially because I will be pursuing a job that is linked with law when I am older. All the people there were very kind and thoughtful, I loved how they asked for our opinions on things but also discussing about themselves too. It made the experience feel like no one was left out, I very much respect them for that. And again, I would like to say a big thank you to all those people, who made this a very knowledgeable but also fun experience. Hopefully there will be more excursions/incursions/zoom calls like this in the future.

Patrick Bray, Year 10

From Law Talk I became more informed on the topics of social media related laws, my rights when it comes to interacting with police and what I can do when I face disputes in a work environment. The talks went over the little nuances of each topic and having people who worked from different fields in law was helpful in showing the different pathways legal studies has to offer.

COLLEGE NEWSLETTER - Keep up with the news

The College Newsletter will be made available on the Compass Parent Portal for parent/guardians to access. The Newsletter is also available on the College Website:

www.humecentralsc.vic.edu.au

Parent/guardians who would like to have the Newsletter emailed to them need to email the address below, with your son/daughter's name and Campus and we will organise the Newsletter to be sent to you electronically. newsletter@humecentralsc.vic.edu.au

STUDENT DETAILS

It is very important that student, parent/guardians **ADDRESS, PHONE NUMBERS, EMERGENCY CONTACT DETAILS AND OCCUPATION DETAILS** are up to date and current for **ALL STUDENTS** at Hume Central Secondary College. If any of your details have changed please contact your child's Campus Reception and you will be sent a "Details Change Form" to fill in, sign and return back to the College.

MEDICAL DETAILS - IMPORTANT

Medical health information - important to let the College know if your child/children develop or have any medical issues that teachers need to be aware of and also if a student's medical details have changed - please notify your Campus Reception.

PERSONAL ACCIDENT INSURANCE & AMBULANCE COVER

The Department of Education & Training does not provide personal accident insurance or ambulance cover for students. Parent/guardians of students, who do not have student accident insurance or ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs.

EARLY LEAVERS

Parent/guardians are reminded to please notify the College in advance of early student pick up. As there can be NO announcements during class time you are required to send a note on the day or alternatively call Reception in advance to arrange pickup of your child. This will avoid any unnecessary delays.

ATTENDANCE

Parent/guardians are sent SMS messages daily via mobile phones if students are absent, please notify the Campus Reception if your child is absent and provide a note or medical certificate to explain their absence. Student attendance is very important to successfully complete their year of study.

STUDENT NETBOOK/COMPUTERS

Parent/guardians are asked to share with their children the importance of caring for their Netbook/Computers and to be responsible and look after them.

EXCURSIONS

Please return Excursion permission forms promptly with the correct money if you do not have CSEF - a receipt is always given.

YOUTH WORKERS

The College has Youth/Health Workers on each Campus, they are a part of the Student Engagement and Wellbeing team and provide vital support to students and families when required.

LOCKS

Locks for Campus Lockers are provided – students to see your Team Co-ordinators or Mentor Teachers.

(Uniform & Text Book Trading)

Hume Central Secondary College is proudly providing family's access to the Sustainable School Shop. This new facility will make it possible for families to buy and sell second-hand uniform and text books within our College Community as well as other nearby schools. An annual subscription paid by the College School Council will automatically provide you with access FREE OF CHARGE. What you need to do:

- Register on the Sustainable School Shop website and nominate Hume Central Secondary College
- List your items for sale
- List the ads for those items that you are looking to buy.

All enquiries should be directed to the Sustainable School Shop on: 0438 743 444 - help is also available through 'Contact Us' on their website at www.sustainableschoolshop.com.au
