

## **HUME CENTRAL SECONDARY COLLEGE**

### **HOMESTAY POLICY**

CRICOS Provider Code: 00861K

#### **Rationale**

Where parents opt for DET to arrange accommodation, the Department through the school, is responsible for provision of accommodation, support and general welfare to the student. These arrangements shall be in place for the period that the student will be under 18 years of age while in Australia. This policy has been developed to meet the requirements of the ESOS National Code 2007 and Student visa (Condition 8532) which require that appropriate arrangements have been made for the accommodation, welfare and support of students less than 18 years of age.

This policy is designed to be consistent with the IED guidelines. It is a Quality Standards requirement that all schools have a homestay policy in place.

#### **Welfare**

- The School will organise homestay accommodation of high quality and which provides a safe, comfortable, and caring environment.
- The homestay accommodation will be provided by a host which may be a suitable family, couple, or single person.
- Working with Children Checks will be completed and reviewed by the school for all adults residing or frequently residing in the homestay prior to the student moving in.
- The maximum number of students per homestay is 3 at all times, regardless of provider.
- Students must provide written permission from their parents to the school and have the school's endorsement if they wish to stay away from their homestay overnight. The school also must hold relevant contact details and inform the homestay of the arrangement prior to the student being allowed to stay away.
- The School will monitor progress of homestay arrangements, including twice yearly visits.

## Homestay Arrangements

- If a homestay provider wishes to terminate the homestay agreement, at least two weeks' notice is given to the student and School. Any advance payments should be refunded to the student.
- Where a student moves out of a homestay at least two weeks' notice must be given to the homestay provider and School. Giving less than this may result in the bond being forfeited.
- Students, homestay providers and the school welfare manager (Principal class officer) will be asked to sign a Homestay Responsibility Agreement on commencement of the student's enrolment. This will outline the house rules and requirements as well as homestay costs and methods of payment.
- Students and homestay providers may not change the homestay arrangements without consultation with the School and through the Homestay Responsibility Agreement.
- The Principal or his/her delegate will monitor the College approved home stay arrangements on a six monthly basis. Should concerns arise over the home stay facilities, monitoring and visitation may be carried out on a more frequent basis.
- Review and termination- should the concerns remain unresolved for a period longer than 3 months, the College will conduct a review and terminate the arrangement and assist in providing alternative accommodation.
- Male and Female international students may not reside in the same homestay (excluding siblings).

## Over 18 Students

- It is a condition of enrolment at Hume Central Secondary College that all international students must reside in homestay accommodation (including students who are over 18).
